Pupil Support Student counseling, psychological services, health services, social work services and other non-instructional student development services

Franklin Local School District Community,

I would like to extend a warm welcome to all of you as we begin the 2023-24 academic year. It's an honor to serve as your Superintendent and I look forward to working with each and every one of you this year.

This past year has been rewarding and challenging for all of us. These challenges have allowed us to emerge stronger and more resilient. As we begin this new year, let us continue to support and encourage each other as we navigate the new challenges ahead.

To our students, I want to remind you that education is a journey, not just a destination. Take advantage of every opportunity that comes your way and strive to be the best version of yourself. We are here to support you in every step of your journey and we will work with you to ensure that you receive a quality education that prepares you for success in whatever path you choose.

To our parents/guardians, I want to thank you for your continued support and involvement with your child's education. Your partnership with us is critical to the success of our students and we look forward to working with you to provide the best possible educational experience for your child.

To our teachers and staff members, I want to express my gratitude for your dedication and hard work. Your commitment to our students and to the Franklin Local School District is what makes us successful and I am honored to work alongside you.

As we begin this new year, let us remember that we are a community and that together we can accomplish great things. Let us embrace the challenges ahead with a positive attitude and let us continue to support and encourage one another along the way.

Starting this fall and spring I will be hosting "Coffee with Kacey" around Duncan Falls and Roseville. This will be an opportunity for me to share all of the great things going on in the district and a time where I can hear from you. Look for invitations and specific locations in the coming months. As always, my door is open.

Lastly, thank you for choosing to be a part of our school community. I am excited to see what we will accomplish together this year. As always...GO ELECTRICS!

Dr. Kacey Cottrill
Superintendent
