DAILY SCHEDULE/PARENT PICK UP

The school day begins at 9 a.m. If your child arrives to school after this time, please sign them in at the office.

Parent drop-off begins at 8:40 in the lower parking lot. This is the most convenient and safest way to drop your child(ren) off at school. **Please use this drop-off procedure if at all possible.**

Parent pick-up students will be dismissed at 3:20 p.m. A note shall be given to the office in the morning to indicate that your child will be picked up.

Walkers will be dismissed after the buses have been called.

Before School - No students are allowed into the buildings until the 8:40 a.m. Students who arrive earlier than this are unsupervised. The school cannot be responsible for the supervision of children who arrive before 8:40 a.m.

After School - School is dismissed at 3:30 p.m. Children who walk or ride their bikes to school are to leave the school grounds promptly and safely. They are not to stay on the school grounds as they are unsupervised. The School cannot be responsible for the supervision of children who remain on the school grounds after dismissal. If you are going to walk in the building to pick your child(ren) up from school, you will need to check in at the main office and wait for them there.

To and from School - The school is directly responsible for supervision of students only while they are on school property. Once they leave school property this supervision becomes the responsibility of the parents. The school will cooperate with parents in stressing the rules of safety to and from school.

- Parents/adults will NOT be permitted to enter the building through the parking lot door. All visitors must use the main entrance and sign-in in the office.
- At exactly 9:00 am parent drop-off doors will be closed and students will then need to enter through the main entrance and be signed in. Students are tardy after 9:00 am.
- Please do not pass another car or pull around another car that is stopped to unload. Please wait until the line moves to exit. Safety is our #1 priority!

Pass/Fail Grading System

In the event of an extended, unforeseen closure, the Franklin Local School District may elect to use a Pass/Fail Grading System.

It is our belief that the circumstances that require the closure of schools for an extended time may also present numerous hardships on the home lives of our students. The combination of these hardships and not all students having equal access to learning supports such as: access to the internet, materials readily available, and direct contact with their teachers, we feel that a Pass/Fail Grading System can help ease the stress of an already traumatic situation.

With all things considered, we believe that a Pass/Fail Grading System is the most fair and appropriate course of action when issuing grades during these types of closures.

- B. If a call is not received, we will call you at home or work following the start of school.
- C. Please send a note with your child the day he/she returns to school if either a or b have not been accomplished.

This procedure is in conjunction with Franklin Local Missing Child Responsibility. Students taking vacations during the regular school year must obtain all assignments before leaving and hand in those assignments on the first day they return to school. Parents must notify the principal in writing one week prior to the vacation.

The Franklin Local Schools place great value upon the educational opportunities afforded its students. It is the responsibility of the school to provide the background and the discipline to enable students to grow into productive adult citizens. Regular school attendance is an important step in the development of punctuality and regularity which contribute to helping students accept their responsibilities in everyday life.

The cooperative efforts of both the parent and the school to encourage each student to attend school on a regular basis shall provide the best quality educational opportunities available.

Early Dismissal and Returning to School

A student who returns during the school day should report to the office, along with the parent/guardian, and sign the registration sheet designated for this purpose. No students will be allowed to leave school prior to dismissal time without the parent reporting to the school office to sign for the student's release. No student will be released to a person other than the custodial parent(s) without a permission note signed by the custodial parents or other legal authorization. All instances of this nature require proper notification by parent/guardian and approval by the principal. Please refer to the back side of the emergency care card to list adults with parental permission to pick up students from school. NOTE: Please update information as it changes throughout the school year.
